To Our Friends and Supporters:

The Fourchon Oilman's Association is in the midst of preparing for their sixth fishing rodeo, which will be our held July 12th to 14th, 2018 at Moran's Marina in Fourchon, Louisiana.

As we are all aware, the economy of the oilfield business is not at its best right now and predictions for its immediate future have already shown signs of concern to everyone involved. However, response to this year's event is very positive and we believe that this year will be our best one yet!
